Contour Shower Seats

Thank you for purchasing our contour shower seat.

WOOD DISCLAIMER:

Only high quality 100% wood is used to create each of our hand crafted seats. Because wood is a natural product, variations of wood grain, color, or texture may be experienced. We cannot be responsible for these variations and will not consider them a defect.

MAINTENANCE - TEAK WOOD:

The Teak has been sealed with a linseed oil. We suggest applying every 6 months to keep the wood sealed and conditioned.

MAINTENANCE - WALNUT WOOD:

We suggest a damp cotton cloth for cleaning; no chemicals.

Seat intended for sitting only and only for one person. Do not stand, kneel, or use the seat for any other application.
